NOTES: _____

***Preliminary Needs Assessment Questions:**

- Do you feel that the data presented was true and accurate for your County? Why?
- What other data do you feel the Sierra-Sacramento Region needs to consider?
- Are there areas (or pockets) in your counties that are at higher risk? What risk factors are they more susceptible to?
- What services do you already have in place to serve this population?
- How are evidence based programs embedded in your programs?
- What services do you wish you could provide (if money were no object)?
- How well trained is your staff to work in child abuse and neglect prevention? In what area's do you feel your staff could benefit from additional training? What Technical Assistance do you feel would be most beneficial?
